IGUAZU FALLS, MAGIC OF NATURE

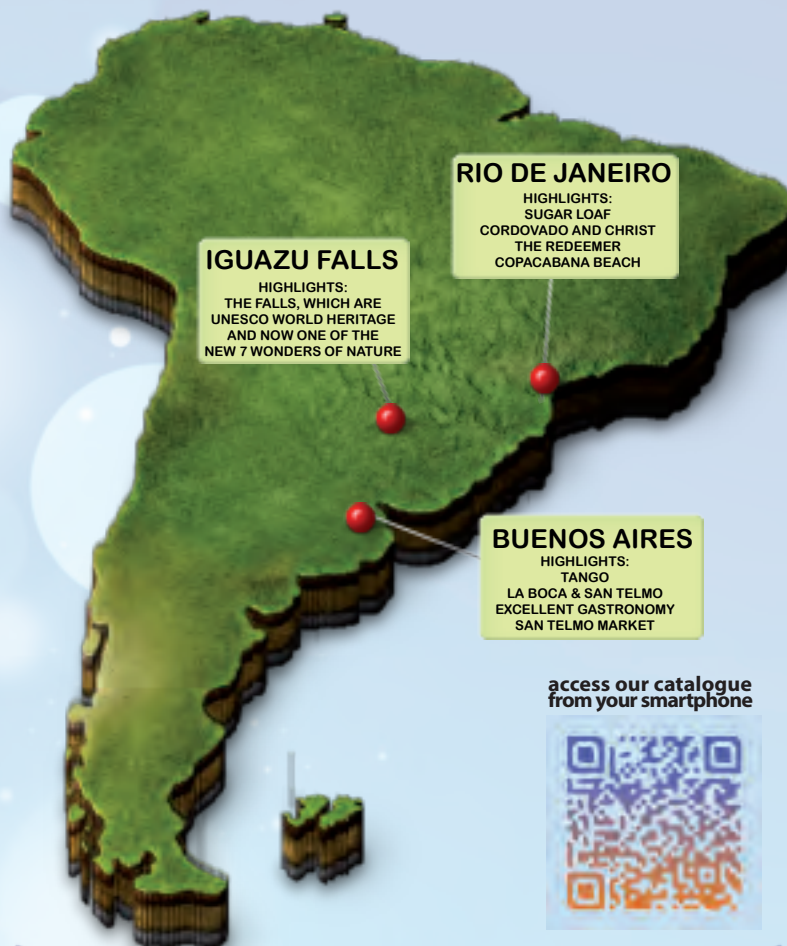

Three different and excellent destinations.

Didn't you visit Buenos Aires yet? Well, our city will surprise you! Walk Recoleta Area and enjoy the architecture. It's not Europe, but you will find part of this continent in our city. Take a breath to lunch or dinner in Puerto Madero and walk the area. And of course, visit San Telmo Fair on sundays for some interesting handycrafts. And do not forget to visit a Tango Show! La Ventana I is my favourite. We have great hotels in the city, let me suggest the Pestana Buenos Aires and the Lennox, good location, excellent services.

Iguazu Falls offers a wonderful and unique show of nature. The falls are incredible! The parks offers different circuits and trails, to watch and enjoy the falls. It's an unforgettable experience. The Sheraton Hotel is the only hotel located in the park. You can visit the falls, few steps from your room. Another great options are the Iguazu Grand Hotel and the Panoramic. Excellent services and gastronomy.

Finally, Rio de Janeiro, a magical city. You will enjoy Copacabana, Ipanema and Leblon beaches, Christ the Redeemer and the Sugar Loaf.

Enjoy Argentina and Brazil, travelling with our company!
